REGISTRATION

Every student shall, in each year of his course, register his name with the Secretary of the Faculty of Music not later than the first of November.

After the first of November registration can be effected only by petition to the Faculty and on payment of a fine of One Dollar a month for each month after October.

UNDERGRADUATE COURSE

In addition to Matriculation the candidate must have passed three examinations before the degree of Bachelor of Music shall be granted.

FIRST YEAR

1. Harmony in three and four parts.
2. Counterpoint in two and three parts. No three part counterpoint with combined species will be required, but candidates will be required to add one part to a Canto Fermo in the fifth species, and to write double counterpoint at the 15th.
3. The History of Music from the rise of the Netherland School to the death of Bach and Handel, and excluding composers who died at a later date.
4. The following works will be studied in discussion groups, and a special knowledge of them required for the examination: PALESTRINA: Missa "Aeterna Christi Munera"; BENET: All creatures now are merry minded; PURCELL: "Golden" Sonata; J. S. BACH: Cantata, "God's Time is best."

SECOND YEAR

1. Harmony in not more than four parts, including simple part-writing for voices and for string quartet.
2. Counterpoint—strict and free in not more than four parts. Free counterpoint will include simple contrapuntal treatment of a given hymn-tune.
3. Double Counterpoint at the octave, 10th, 12th and 15th. Canon in two parts at the octave, with an independent part. Fugal exposition in not more than four parts to be written on a given subject.
4. The History of Music subsequent to the time of Bach and Handel, including all composers whose deaths occurred at a date later than 1760.
5. Musical Form as far as the simple forms and analysis of the musical sentence. Candidates may be required to extend a given phrase to form a complete sentence.
6. The following works will be studied in discussion groups, and a special knowledge of them required for the examination: MOZART: String Quartet in G; BEETHOVEN: "Kreutzer" Sonata, op. 47; SCHUBERT: The Miller's lovely Daughter (Song Cycle).
7. A *viva voce* examination in general musical knowledge. Students will also be required to read at sight from the score of a simple string quartet.

An equivalent test will be arranged for singers and players upon orchestral instruments.

FINAL YEAR

1. Harmony in not more than five parts, including some original work.
2. Counterpoint, strict and free, in not more than five parts.
3. A fugue in not more than four parts for strings or voices, to be written in the examination room.

4. A general survey of the History of Music from the earliest times to the present day. Students are recommended to study H. C. Colles' "The Growth of Music" and as many as possible of the scores listed therein; also Lavignac's "Music and Musicians." (See also list on page 13).

5. Musical Form.

6. Orchestration.

7. A *viva voce* examination at which the candidate will be asked questions of a general nature, and in particular required:

- (a) To show a critical and analytical knowledge of the following scores: PURCELL: Dido and Aeneas (vocal score, Ed., Dent); SCHUBERT: Symphony in C (full score); R. STRAUSS: Don Juan (full score).
- (b) To play any one of the preludes and fugues from Bach's "Wohltemperirtes Klavier."
- (c) To transpose a simple piece at sight.
- (d) To read at sight from a full score of a date not later than Mendelssohn.
- (e) To modulate at the keyboard.

Tests equivalent to (b), (c) and (d) will be arranged for singers or players upon orchestral instruments.

8. Each candidate shall submit an original composition of a length sufficient to occupy not less than fifteen minutes in performance. This may be *either*:

- (a) A work for Chorus and String Orchestra (to which the candidate may, at his own option, add wind instruments) containing a substantial proportion of contrapuntal writing, and some writing for solo voice or voices; *or*:
- (b) A string quartet in three movements, at least one of which shall be written in Sonata form.

The work must exhibit structural independence and artistic interest and will not be regarded as sufficient solely on the ground that it is free from technical errors.

An exercise that has once been submitted and rejected may not be submitted a second time in amended form unless the Faculty shall have expressly permitted the incorporation, in a new exercise, of a portion of a previous one.

8. (c) In lieu of the above composition, candidates may present a thesis of not more than five thousand words on some subject connected with musical history or criticism, the subject to be submitted to and approved by the Faculty of Music at the beginning of the academic year.

In awarding marks for this thesis the examiners will require that it show not only accuracy of statement but some literary style.

The composition or thesis must be sent to the Secretary of the Faculty not later than the first of April, accompanied by a declaration that it is the candidate's own unaided work.

Candidates for the degree may defer presenting this composition or thesis until a subsequent annual examination, in which case the fee for the examination shall be ten dollars (\$10.00).

In the case of those candidates who have obtained Licentiate standing in the University of Toronto or in the Toronto Conservatory of Music and who were registered in the Faculty of Music prior to the academic year 1926-27 the above 8 (a) (b) and (c) will not be exacted, but there will be required instead a short original composition, to occupy not less than seven minutes in performance, in one of the following forms:

- (a) A song for solo voice with pianoforte accompaniment.
- (b) A four-part vocal composition.
- (c) An instrumental composition (other than a Dance) for the Pianoforte or Organ, or for any Stringed or Wind Instrument with Pianoforte or Organ Accompaniment.

Provided always that the aforesaid composition shall be submitted not later than the first of April in the year 1930.

The Senate may admit *ad eundem statum* undergraduates of other Universities after due inquiry as to the requirements demanded by the institutions in which the candidates obtained their standing.

EXAMINATIONS

The examinations will take place at times to be fixed by the Senate.

Applications accompanied by the proper fee must be transmitted to the Secretary of the Faculty before the fifteenth of March. (Cheques should be made payable to the University of Toronto.)

The total number of marks necessary to pass on any subject is 60; second class honours, 70; first class honours, 80; maximum, 100.
